Wander Kathi

WHO I am

I am an outdoor girl through and through. I'm not happy if I'm not allowed outside, which is why I started my own outdoor business. I love my job and am a qualified hiking guide in summer and winter. With my training as an International Mountain Leader, I have earned the right to offer hiking tours anywhere in the world. I am also a trained mental coach and outdoor educator. I look forward to planning and organizing the right event for you.

Your Kathi

PREPARE and enJOY

Discover nature with all your senses on our herb hike. Together we will explore the secrets of the local herb world and collect fresh ingredients to make delicious herb quark. Immerse yourself in the aromas and textures of nature as we prepare and enjoy the curd together. A unique experience that will invigorate your senses and bring your team closer together!

OWN HERBAL SALT

On a journey of discovery together! Enter the fascinating world of herbs with us on our team-building herb hike. Learn interesting facts about local plants and collect your own herbs to make your own herbal salt. We cook together and experience the variety of flavors while creating our own spice blend. An unforgettable experience that not only strengthens the palate, but also the team bond!

HIKE and COOK

Join me on an unforgettable adventure for your company! Explore the picturesque natural surroundings with your team as we embark on an easy hike. Afterwards, we will immerse ourselves in the world of fire craft and learn how to light a campfire safely and effectively. Using fresh ingredients, we will then prepare a delicious meal together, which we will enjoy in the open air. A perfect combination of nature experience, teamwork and culinary enjoyment awaits you at "Your Adventure"!

Optionally, I'll show you how to prepare and bake bread in the great outdoors. Among other things, we make our own convection oven to bake incredibly tasty bread.
